

APPEAL NO. 031251  
FILED JULY 8, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 9, 2003. With respect to the issues before him, the hearing officer determined that the appellant (claimant) sustained a compensable repetitive trauma injury to his right shoulder with a date of injury of \_\_\_\_\_, and that he had disability from \_\_\_\_\_, through the date of the hearing. The claimant filed a conditional request for review of the hearing officer's denial of his request to add an issue as to whether the respondent (carrier) waived its right to contest compensability. The appeal file does not contain a response to the claimant's conditional appeal from the carrier. In addition, the carrier did not appeal the hearing officer's decision.

DECISION

The hearing officer's decision and order have become final. Section 410.169.

In his appeal the claimant stated that he was filing "this conditional request for review, to be conditioned on the carrier requesting review of the Hearing Officer's decision." The carrier did not appeal the hearing officer's decision and order. Accordingly, we dismiss the claimant's conditional appeal.
